Home Appliance Use

Directions:

- 1. In the ten spaces at the bottom of the graph, write the names of ten different appliances.
- 2. Using the large floor plans on the class display, observe how many class members and adults owned each of the ten appliances.
- 3. Decide on what would be an appropriate number scale for "Number of Appliances" and fill in the numbers to make the scale.
- 4. Above each of the ten appliances, mark the number owned by class members and the number owned by adults. Draw bars to represent these numbers.
